

The only way to have eternal life is to be adopted into the family of God. It is not if you know God, but does God know you? It is a relationship. You must be born again into the Family of God - not by works, not by baptism, not by being a good person, not by going to a church - any church. It is only by us being made his child.

But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.

Christ shed his perfect blood on the cross to take the punishment for our sin so that we could be made worthy to become the sons (and daughters) of God!

An adopted child is just as much an heir as a biological child. If you are faking your relationship with God you will never make it. You must be born again!

Romans 10:9&10 “That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.”

You cannot confess something you do not believe to be true, otherwise you are lying. Turn away from what ever you are trusting in, repent of the sins you have committed against a Holy God and turn to Jesus Christ alone for salvation,

**For he alone
can save!**

A counterfeit?

When you hear the word “counterfeit” most people think about money, and for a good reason. Money has been counterfeited for a very long time. If you don’t get caught, it can be very profitable, though it is highly illegal.

Money isn’t the only thing that can be forged though. Signatures, parts, brand named items, licenses, degrees and even people can be counterfeits.

The most dangerous type of counterfeit isn’t in your wallet, it is actually in the churches. There are many people that attend church regularly in America that are not actually Christians - but counterfeits and a counterfeit Christian is one of the most dangerous things that exists. Why? because of what it cost the holder.

If you have a counterfeit bill, the cost is the amount that bill would be worth. But if someone has a counterfeit faith, the cost is their **eternal soul** and possibly the souls of their families and of many others.

The Bible warns of many false teachers and false gospels that do not lead to life eternal but to Hell. **“...broad is the way, that leadeth to destruction, and many there be which go in thereat:”** Mat 7:13

Most people that are following the wrong path don’t realize it. Most are sincere people who want to do good and hope to end up in heaven. The problem is that they are not following the Biblical path to salvation. They have been lead astray by false teachers who are leading souls to Hell.

Christ said **“Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven.**

Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works?

And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

What will he say to you when you die and stand before him? Will he say **“well done, good and faithful servant”**, or will he utter **“depart from me... I never knew you.”**

The key to heaven isn’t your good works.
